April 8, 2011

Greetings,

It is with great pleasure we issue the Official Call for the 16th Biennial Convention of the Coalition of Labor Union Women, September 7-10, 2011, at the Buena Vista Palace Hotel & Spa in Orlando, FL. The theme for the convention is **"CLUW - EDUCATING, MOTIVATING, MOBILIZING"**.

The labor movement is facing some of the biggest challenges in our history, with battles on every front. This is our opportunity to engage those in the labor movement and our friends who are not part of the labor movement.

This convention is about *Educating* ourselves about the issues so we are empowered to educate those around us. It's about *Motivating* us to take action and make a real difference. We will learn how and be inspired to *Mobilize* our union sisters and brothers and our families and friends to make changes that will empower the working women and men of America and the world.

We will work together to set new goals and frame our objectives from the founding principles that guide the work of our organization. Progress is made possible by networking, sharing information and developing ideas to form new programs and policies. Education, Motivation and Mobilization are necessary for building and strengthening a great labor movement.

On Wednesday, September 7th, we will offer a wide variety of workshops. Details will be posted on our web site in a few weeks.

Please note that observers are welcome to attend the convention and fully participate in all activities. However, they will be required to pay the appropriate registration fee and will be seated in a special section in the convention hall as they will not be able to vote.

We hope you will enjoy this exciting convention which includes workshops on a variety of topics, dynamic speakers and sessions to inspire and empower delegates and guests.

In Solidarity,

Bennie R. Bridges  
Corresponding Secretary
