**Join Us for the
2010 Good Jobs, Green Jobs
National Conference and Expo**

May 4-6
Washington Hilton
Washington, D.C.

Transforming Ideas Into Action

The 2010 Good Jobs, Green Jobs National Conference will bring together thousands of community and business leaders, union members, environmentalists and elected officials to transform our ideas into action and to build a revitalized, green economy that creates good jobs, reduces global warming and preserves America's economic and environmental security.

Save the date and join us for three days of keynote addresses, informational workshops and this year's Green Jobs Expo.
